of business at **870 Remington Drive, Madison, NC 27025**, hereinafter referred to as the assignee,
the entire right, title, and interest in and to the aforesaid application for Letters Patent, including any
priority rights derived from the aforesaid application for Letters Patent by virtue of the International
Convention for the Protection of Industrial Property for any and all member countries of the aforesaid
International Convention, and the entire right, title and interest in and to any and all our inventions,
whether joint or sole, disclosed in the aforesaid application for Letters Patent, and in and to any and all
applications for Letters Patent for any such inventions in any country whatsoever, and in and to any and all
patents for any such inventions in any country whatsoever, with the sole right to file such applications in its
name or ours, including the sole right to file such applications under the aforesaid International Convention,
together with the sole right to have said patents granted in its name or ours and to enforce said patents and
to sue for and recover profits and damages for any and all infringements thereof, and hereby agree, whenever
requested, to communicate to said assignee, its successors, assigns, and legal representatives, any facts known
to us respecting said inventions, to testify in any legal proceeding, to execute all applications, papers or
instruments necessary or required by said assignee, its successors, assigns and legal representatives to carry
into effect any of the provisions of this instrument, and generally to do everything possible to aid said
assignee, its successors, assigns, and legal representatives to obtain and enforce proper patent protection for
said inventions in any and all countries. We further authorize **Donald W. Huntley** our attorney, to
